

FISCAL YEAR 2024

**TRULY AGREED AND FINALLY PASSED
(AFTER VETO)**

**DEPARTMENT OF HIGHER EDUCATION &
WORKFORCE DEVELOPMENT
HOUSE BILL 3**

Vetoed: Section 3.103 - \$600,000 for Returning Heroes Program; Section 3.130 - \$1,000,000 for Access Point;
Section 3.147 - \$16,821,212 for Performance Funding Model; Section 3.195 - \$5,000,000 for University of Missouri Extension services;
Section 3.195 - \$15,000,000 for University of Missouri eMINTS Program; Section 3.220 - \$97,321 for State Historical Society cost of living increase; &
Section 3.220 - \$311,215 for State Historical Society additional staff

**102nd General Assembly
First Regular Session**

Prepared by Senate Appropriations Staff

**Department of Higher Education and Workforce Development
Coordination Administration**

Page 25

Section 3.005

The Coordinating Board for Higher Education and the department conduct studies of population and enrollment trends, develop arrangements for more effective and economical specialization among institutions and programs, encourage mutual support and coordination among institutions, identify higher education and labor force needs, and design a coordinated plan for higher education in the state and in its sub-regions. CBHE focuses on ensuring access, improving student’s success, and maintaining affordability.

Legal Basis: Chapters 172, 173, 174, and 178 RSMo.
Funding Source: General Revenue (0101), DHE Out-of-State Program Fund (0420), and Quality Improvement Revolving Fund (0537)
FY2023 GR W/H: \$0

CORE ADJUSTMENTS:

Department:
Core reduction: (\$851) GR E&E reduction of one-time funds added in the FY2023 budget for the Operational Excellence Coordinator

Governor:
Same as Department – no additional core changes

House:

Institutions of higher education are suffering enrollment declines. At the same time, Missouri is suffering critical workforce shortages in certain industries that require postsecondary education and training. To meet the state's attainment and workforce goals, we need to find a way to better serve the 1.6 million Missouri adults without a postsecondary credential. By hosting a Student Journey Mapping Community of Action, we will be able to work with institutions to help them visualize the barriers adult learners face, streamline internal processes to be more equitable and efficient, and provide targeted support to individuals who need it the most. The format will also serve to connect teams with workforce agencies and community support for more efficient use of resources. Funding would be used to provide coaching to participating institutions, contract out the programming, and host at least one large in-person event to bring all the participants together.

No new FTE is being requested. This request is asking to cut 1 FTE from Workforce Development and add to Coordination Administration for one Agency Budget Analyst and related supportive resources. The Office of Budget workload has continued to increase. Since the merger with workforce development, there has been a significant increase in the amount of reimbursements to review and process, tracking of expenditures for the department and higher education institutions required to be done throughout the fiscal year. Without the additional help, Budget will continue to struggle with maintaining the reviewing and processing of reimbursements and monitoring of projects and programs while simultaneously providing supportive services to the higher education institutions. Currently, Budget has only the Assistant Director of Budget and one Senior Agency Budget Analyst, plus two part-time staff members.														

OPERATIONS FISCAL FTE - 1555002														
PERSONAL SERVICES	0	0.00	18,787	0.30	18,787	0.30	18,787	0.30	18,787	0.30	18,787	0.30	18,787	0.30

No new FTE is being requested. This request is asking to cut 1 FTE from Workforce Development and add to Coordination Administration for one Senior Accountant and related supportive resources. This position would ensure general acceptable accounting standards (GAAP), government accountability standards board (GASB) statements, and ever changing reporting guidelines are being met. The Fiscal program is DHEWD's only source of oversight, monitoring, and ensuring data collected for outside sources. The current staffing level and position qualifications lack the appropriate skill set and available hours to produce quality reports, analysis, and responses for these higher level responsibilities. This request would provide the necessary resources to ensure DHEWD's Fiscal program has the capacity and training to handle the assigned responsibilities.

There is currently one person in this role; but, the funding will expire as MDHEWD transfers its loan portfolio. This needed position helps coordinate statewide financial aid filing efforts and related programming, including providing access to more underserved individuals. These filings are directly correlated to college enrollment, and are the primary filings for most financial aid at the federal, state, and institutional level. No net FTE is being requested as a current FTE will be used.

Institutions of higher education are suffering enrollment declines. At the same time, Missouri is suffering critical workforce shortages in certain industries that require postsecondary education and training. To meet the state's attainment and workforce goals, we need to find a way to better serve the 1.6 million Missouri adults without a postsecondary credential. By hosting a Student Journey Mapping Community of Action, we will be able to work with institutions to help them visualize the barriers adult learners face, streamline internal processes to be more equitable and efficient, and provide targeted support to individuals who need it the most. The format will also serve to connect teams with workforce agencies and community support for more efficient use of resources. Funding would be used to provide coaching to participating institutions, contract out the programming, and host at least one large in-person event to bring all the participants together.

For FY 2024, institutions submitted 25 requests for new funds for a total of \$50.3 million. In 2020, the Departments of Higher Education and Workforce Development (DHEWD) and Economic Development (DED) compared Missouri to 13 of its Midwest peers on a number of metrics to measure the state's economic health. They found that Missouri is ranked last in GDP growth, 12th in labor productivity, 11th in per capita income, 9th in job growth, and 8th in wage growth. Although Missouri is above the national average in high school graduation rates, we are below average in students transitioning into and persisting through college, making the state's adult population less educated than the national average. In addition, this situation is exacerbated by the fact that Missouri's workforce participation rate is declining. As a result, Missouri needs to strategically increase its workforce to grow its economy.

TOTAL - MO EXCELS	\$31,496,061	0.00	\$50,259,495	0.00	\$38,336,840	0.00	\$35,536,840	0.00	\$38,336,840	0.00	\$38,336,840	0.00	\$38,336,840	0.00

Midwestern Higher Education Compact

This section pays for the Midwestern Higher Education Compact (MHEC) membership dues. Membership allows Missouri to participate in the Midwest Student Exchange Program (MSEP), which allows residents to receive out-of-state instruction at a public institution at no more than 150% of the in-state resident tuition rate and private institutions offer a 10% reduction on their tuition rates. In addition, MHEC conducts research that is valuable to the state.

Department of Higher Education and Workforce Development
Academic Scholarship Program (Bright Flight) Spending Authority

This section provides non-repayable scholarships to full-time undergraduate students attending eligible post-secondary institutions located in Missouri. The scholarships are based solely on the academic ability of Missouri high school seniors as measured by their scores on the ACT or SAT college entrance exams and their subsequent academic progress. The maximum scholarship awards are \$3,000 annually for students who score in the top three percent and \$1,000 annually for students who score in the fourth and fifth percentiles. In the event of insufficient funding the top three percent scorers receive their awards first and then if there are remaining funds the fourth and fifth percentile receive awards. Top fourth and fifth percentile students have never received awards. The scholarship can be renewed until the first bachelor’s degree is received or the scholarship has been received for ten semesters, whichever occurs first.

Department of Higher Education and Workforce Development
Access Missouri Financial Assistance Program Spending Authority

This section provides need-based financial aid to eligible Missouri residents. A student’s financial need, as represented by their expected family contribution (EFC), is calculated based on the standard federal needs analysis formula. Students with an EFC at or below the established cutoff are eligible for an award amount. Award amounts are structured to provide the most assistance to the students with the greatest financial need.

Section 3.065

The A+ Schools Program provides tuition and fee reimbursement to eligible graduates of designated high schools to attend community colleges, public vocational or technical schools, or private two-year vocational or technical schools that meet criteria outlined in Section 160.545 RSMo. Students who qualify for federal non-repayable financial aid, such as Pell grants, have their A+ reimbursement reduced by a corresponding amount.

Department of Higher Education and Workforce Development
Fast-Track Scholarship Spending Authority

This section provides assistance to adults who are seeking to upgrade or retool their skills in order to enter high demand, high wage occupations. Eligible students must be at least 25 years old or who have not been enrolled in postsecondary education in the past two years and have an adjusted gross income of \$80,000 or less if married filing jointly or \$40,000 or less for all other tax filing statuses. The programs must be designated by the Coordinating Board of Higher Education and the student must be enrolled at least half-time. Awards cover the amount of tuition and fees remaining after all other governmental non-loan student assistance is applied. If all tuition and fees are covered with other aid, the student is eligible for an award of up to \$500 per term or the remaining cost of attendance, whichever is less. Individuals must maintain Missouri residency or work in Missouri for three years after graduation to prevent the grant from becoming a loan.

Wartime Veterans’ Survivors Grant Program

This program provides up to 25 grants annually to spouses or children of Missouri veterans who died or became disabled from combat after September 11, 2001. The veteran must be a Missouri resident when first entering the military service or at the time of death or injury. Grants include tuition, up to \$2,000 for room and board, and \$500 for books per semester. FY18 was the first year the waiting list (used when the number of applicants exceed 25) was utilized.

Missouri Returning Heroes – New Decision Item

The Missouri Returning Heroes Education Act, provides that all public institutions of higher education that receive state appropriated funds shall limit the amount of tuition charged to combat veterans to fifty dollars per credit hour as long as the veteran achieves and maintains a grade point average of 2.5 on a 4.0 scale, is enrolled in a program leading to certification or degree, and is attending in the ten year period following the last discharge from service. The tuition charged of combat veterans enrolled in graduate programs must be limited to more than 30% of the cost of tuition and fees. This section would reimburse the institutions the amount of tuition waived.

In addition, the tuition charged of combat veterans enrolled in graduate programs, as defined in statute, must be limited to no more than 30 percent of the cost of tuition and fees. The law also provides that institutions may report the amount of tuition waived in a fiscal year and include the amount in the following year's appropriation request. Without this funding, the institutions will have to absorb the difference between each \$50 credit hour and the actual cost per credit hour.

Kids' Chance Scholarship Program

Page 322

Section 3.105

This program provides scholarships to children of workers who were seriously injured or died in a work related accident or occupational disease covered by workers' compensation. Eligible students must be 17 to 22 years of age, a Missouri citizen, enrolled or accepted for enrollment in a Missouri private or public institution or an accredited vocational institution, and establish financial need. The Division of Workers' Compensation deposited \$50,000 a year into the fund, beginning in 1999 and ending in 2018, and awards are made using only the interest generated.

Section 3.115

The Missouri Student Loan Program is a guaranty agency that operates under the Federal Family Education Loan program. As of June 30, 2021, the program had total outstanding guaranteed loan balances of more than \$736 million. This section pays the operating expenses related to managing the outstanding portfolio and allows the department to meet federal requirements to support outreach activities aimed at educating high school students, parents, and others about preparing for and paying for college, managing student loan debt, and increasing financial literacy.

Legal Basis: Federal Higher Education Act of 1965, as amended, 20 U.S.C 1071, 34 C.F.R. Parts 658 and 682, and Sections 173.095-173.187 RSMo.

Department of Higher Education and Workforce Development
Collection Payments Transfer

Page 360

The Higher Education Act requires guaranty agencies to deposit certain percentages of payments received from defaulted borrowers into the Federal Student Loan Reserve Fund and the Guaranty Agency Operating Fund. This section enables the department to transfer the appropriate amount of collections from defaulted borrowers, initially deposited in the Federal Student Loan Reserve Fund, to the Guaranty Agency Operating Fund. In addition, it allows the department to transfer one percent of the principal and interest of delinquent loans from the Federal Student Loan Reserve Fund to the Guaranty Agency Operating Fund to provide default aversion assistance to lenders when a loan becomes more than 60 days delinquent.

Page 365

The Missouri Student Loan Program insures private commercial banks against loss from defaulted and discharged student loans at 97 to 98 percent of outstanding principal and interest at the time of the default and 100 percent for loans discharged due to death, disability, closed school, or bankruptcy. After purchasing defaulted loans, the department attempts to recover the debt and deposits the proceeds into the Federal Student Loan Reserve Fund.

This request would support updates to the Preschool through Workforce (P20W) data systems. DHEWD coordinated with several Missouri departments to develop an RFP seeking services that would assist with cross-sector data. The data would support successful citizen transitions across early to K-12 education to postsecondary/training programs and into the workforce.

No new FTE is being requested. This request is asking to cut 1 FTE from Workforce Development and add to Coordination Administration for one Agency Budget Analyst and related supportive resources. The Office of Budget workload has continued to increase. Since the merger with workforce development, there has been a significant increase in the amount of reimbursements to review and process, tracking of expenditures for the department and higher education institutions required to be done throughout the fiscal year. Without the additional help, Budget will continue to struggle with maintaining the reviewing and processing of reimbursements and monitoring of projects and programs while simultaneously providing supportive services to the higher education institutions. Currently, Budget has only the Assistant Director of Budget and one Senior Agency Budget Analyst, plus two part-time staff members.

No new FTE is being requested. This request is asking to cut 1 FTE from Workforce Development and add to Coordination Administration for one Senior Accountant and related supportive resources. This position would ensure general acceptable accounting standards (GAAP), government accountability standards board (GASB) statements, and ever changing reporting guidelines are being met. The Fiscal program is DHEWD's only source of oversight, monitoring, and ensuring data collected for outside sources. The current staffing level and position qualifications lack the appropriate skill set and available hours to produce quality reports, analysis, and responses for these higher level responsibilities. This request would provide the necessary resources to ensure DHEWD's Fiscal program has the capacity and training to handle the assigned responsibilities.

Section 3.130

This section provides skill development, workforce preparation, and job placement services to unemployed and under-employed individuals. The participant may visit a Missouri Job Center or the self-service website, jobs.mo.gov. This section also provides business services to employers, assisting them to develop and maintain a workforce. These funds are primarily federal pass through dollars distributed according to federal and state regulations to sub-recipients, primarily the Local Workforce Development Boards.

Legal Basis:	Public Law 113-128 – Workforce Innovation and Opportunity Act and Public Law 114-27 – Trade Adjustment Assistance Reauthorization Act of 2015
Funding Source:	General Revenue (0101), DHEWD Federal Emergency Relief Fund (2315), DHEWD Federal Stimulus Fund (2310), Job Development and Training Fund – Federal Fund (0155), and Special Employment Security Fund (0949)

The Office of Workforce Development has been building the apprenticeship model in Missouri for several years, achieving the status of #2 in the nation for the number of apprentices. Funding for staff and outreach have been achieved in the past through competitive federal grants, and this NDI will allow for a stable funding stream to continue building this model for Missouri's citizens and employers. Program distribution will be to fund community colleges, local workforce development boards, high schools, and community development organizations to expand certified pre-apprenticeships and registered apprenticeships in IT, public healthcare, education, public safety, emergency services, transportation, logistics, and local and state government occupations to 1,000 Missouri citizens.

Missouri University of Science and Technology – Project Lead the Way

This section contains funding for Missouri University of Science and Technology to continue its partnership with southwest Missouri schools to increase the number of school districts utilizing Project Lead the Way. Missouri S&T facilitates teacher training, provides supplemental professional development, and provides information on STEM education and careers for teachers, counselors, and administrators throughout southwest Missouri. This funding also helps school districts offset the costs with this program and serves as a state match for potential federal grant money.

The community colleges are not included in the mandatory increases the state has provided for health care, retirement, and information technology increases, nor have they received adjustments for salaries (standard or market increases) provided to the rest of state government. While these institutions have been doing more with less, there is also a direct correlation to students' cost to attend. The inflationary factor of 7 percent was approved by the Coordinating Board of Higher Education and is applied to each four-year institution and State Technical College of Missouri's base core appropriation in order to determine the amount of the new decision item. For community colleges, the inflationary factor would be applied to the total core state appropriation to the sector, with the result constituting the related new decision item. A total of \$11,330,433 is recommended for community colleges.

State Technical College of Missouri is not included in the mandatory increases the state has provided for health care, retirement, and information technology increases, nor have they received adjustments for salaries (standard or market increases) provided to the rest of state government. While public institutions have been doing more with less, there is also a direct correlation to students' cost to attend. The inflationary factor of 7 percent was approved by the Coordinating Board of Higher Education and has been applied to each four-year institution and State Technical College of Missouri's base core appropriation in order to determine the amount of the new decision item. For community colleges, the inflationary factor would be applied to the total core state appropriation to the sector, with the result constituting the related new decision item. A total of \$592,481 is recommended for the State Technical College of Missouri.

The public institutions of higher education (IHE) are not included in the mandatory increases the state has provided for health care, retirement, and information technology increases, nor have they received adjustments for salaries (standard or market increases) provided to the rest of state government. While these institutions have been doing more with less, there is also a direct correlation to students' cost to attend. The inflationary factor of 7 percent was approved by the Coordinating Board of Higher Education and has been applied to each four-year institution and State Technical College of Missouri's base core appropriation in order to determine the amount of the new decision item. For community colleges, the inflationary factor would be applied to the total core state appropriation to the sector, with the result constituting the related new decision item. A total of \$58,874,242 is recommended for public universities.

University of Missouri System**

Page 610

Section 3.195

This section provides funding for the University of Missouri System, which was first established in 1839. The University of Missouri implemented its plan to expand to a four-campus system at Columbia, Rolla, St. Louis, and Kansas City in 1963. The system’s full-time equivalent enrollment in FY21 was 51,903.

UM – Columbia top areas of study include business management and marketing, ethnic, cultural, and gender studies, health professions, and education.

Missouri S&T top areas of study include engineering, engineering technologies and computer and information sciences.

UMKC top areas of study include health professions, business management and marketing, and computer and information sciences.

UMSL top areas of study include business management and marketing, education, and health professions.

This section includes the Greenley Research Center, UMKC Neighborhood Initiative, UMKC/MSU Doctor of Pharmacy Program, MU Medical School Residency Program Expansion, Missouri S&T/MSU Engineering Expansion, Agriculture Extension Service, Doctorate Degree, Public Research, Fisher Delta Research Center, MU School of Law Veterans Clinic, Missouri Rice Breeders Association, and NextGen Precision Health Initiative.

Legal Basis: Chapters 172 and 174 RSMo.

The public institutions of higher education (IHE) are not included in the mandatory increases the state has provided for health care, retirement, and information technology increases, nor have they received adjustments for salaries (standard or market increases) provided to the rest of state government. While these institutions have been doing more with less, there is also a direct correlation to students' cost to attend. The inflationary factor of 7 percent was approved by the Coordinating Board of Higher Education and has been applied to each four-year institution and State Technical College of Missouri's base core appropriation in order to determine the amount of the new decision item. For community colleges, the inflationary factor would be applied to the total core state appropriation to the sector, with the result constituting the related new decision item. A total of \$58,874,242 is recommended for public universities.

SHSMO requests recurring funds \$311,215 (\$214,533 in salary plus \$96,682 in benefits) which is needed to hire five new archivist positions at the Kansas City, St. Louis, Rolla, Cape Girardeau, and Springfield research centers. SHSMO is requesting the FY 2024 state appropriation base plus these additions to maintain a highly skilled and professional staff, to respond to the growing demand for patron services and to fulfill its mission. Because SHSMO funding derives almost entirely from state general revenue, appropriation increases must be requested to cover employee salary and benefit cost. Note: State Historical Society employees are not considered state employees, therefore they do not receive any additional increases in salary and benefits that state employees receive.

Seminary Fund – Income on Investments

Page 755

Section 3.225

This program provides income for the general operation of University of Missouri – College of Agriculture and School of Mines and Metallurgy and funding for three scholarships added by the Board of Curators. The State Treasurer is empowered to collect the interest on bonds when due, credit the Seminary Fund, and pay the Board of Curators the annual income received in the Seminary Funds upon requisition by the Board of Curators. This section is for the earnings from the principal held in the Seminary Fund Investment Fund.
